about us

Creastate is India's most creative Real Estate Company, incepted in 2012 with the aim of delivering Real Estate Solution and services to every individual's taste and need.

Creastate is run by a group of highly creative and dynamic professionals with several years of expertise and experience in Delhi/NCR and other emerging markets in India. We believe Real Estate is not all about Land and Building.

We also endeavor to make the world a beautiful place to dwell in by fulfilling our customer's demand. As a real estate company, we have been redefining the standards of real estate with our years of experience, by offering a wide range of services. Our expertise is also to grow assets and manage your diversified Portfolio.

Our motto is Customers Delight at any cost.

mission

To make its mark in Real Estate sector by executing and handling the Creative projects in cost effective, responsible and transparent manner.

vision

The company wish to achieve its goal without compromising on its core values, trust of its customers and the quality of its unique products / services.
